Jerome Stoll

Our top priority at Waglers Wood turning is providing our customers with the product they need. All designs can be customized to fit those needs. However, due to handcrafted templates our measurements may vary slightly. We strive for quality products at prices you can afford. Give us a call before you buy.

Large Columns
up to 10'

No minimum quantities

Our company feels obligated to say “Thank you” for patronizing our business. We are grateful for those who have helped us shape our business and make our progress possible. We look forward to producing products that will benefit your business in the future.

Custom millwork available for diagonal halves, rectangular halves, or three quarter legs. Will also provide you with hollow legs for wiring.
